Many of you, like me, see the marvelous reality of Catholic education every day at our school. It is in the dedication and integrity of our teachers, staff, commission members, and everyone else involved in running St. Joseph. It is in the compassion of our students when they help one another or reach out to assist our less fortunate brothers and sisters. It is in the life-long values that our alumni continue to embody long after they have left our doors.

Please join in our celebration. Participate in the activities, lend a hand, take pride in the school’s and your student’s accomplishments, and – last, but hardly least – enjoy every moment.

Yours in Faith,

Lesley Harrison
