

Who's Being 'Caught' at St. Joseph Catholic School?

Every month throughout the year, our school focuses on a theme surrounding our Character Building Program - W.I.S.E. We use this program in hopes of motivating our K-8 students to model and display positive character and good citizenship throughout the day.

W.I.S.E focuses on 8 'character themes' including: Self-Discipline, Respect, Citizenship, Relationships, Conflict Resolution, Responsibility, Positive Attitude and Personal Goals. Each theme has been given a focus month, and the students are encouraged to display specific types of behavior in order to get "Caught" by a staff member. Getting "Caught" involves positive praise from a staff member and then receiving a "Caught" pin to proudly wear throughout the month.

This year we would like to invite you, the parents or any other loved one, to join us in congratulating the "Caught" students for the month during an all-school assembly. This assembly will focus on gathering up all the "Caught" students from each grade up in front of the school to congratulate their positive behaviors. It will also include a short skit from a designated class to model the next month's W.I.S.E. theme.

We would love to have you and anyone else that would like to attend this short assembly, join us during the dates below. It is an excellent way to congratulate your child or other children in the school in achieving positive character and good citizenship throughout the months of the year!
