

KidzArt is Here!

KidzArt's After School Enrichment Classes are now being offered at:
St. Joseph Catholic School on Wednesdays at 2:20-3:20 PM

Students K-5 can increase focus, learn risk-taking, utilize 'mistakes', and enjoy the relaxation and self-confidence experienced in Kidzart classes all while having fun!

KidzArt projects are always new each week (and never repeat) and we use only artist-grade materials. This year we are also adding even more value by providing three to four weeks of different mediums within each session! KidzArt reaches the artistic individual as well as those who never thought they could draw! Space is limited – sign up today at www.kidzartNW.com to reserve your spot.
