E-mail: sausagefest@comcast.net

After Mass: Stop by computer tables (in June and August)

Phone-a-thon: We will be calling parishioners in July and August

FOR THOSE OF YOU WHO SIGNED UP LAST SATURDAY EVENING ON May 30th

Please stop by the computer tables to verify your assignments. We had a computer problem and lost some of that data. Almost all the data has been recovered, and the problem remedied, but we want to be sure. Thanks for your help. Thanks for your assistance in this matter.
