CATHOLIC SCHOOL

Share the Spirit **FAMILY REFERRAL PROGRAM**

St. Joseph families are great recruiters – word of mouth to family, co-workers, sports teams, neighbors and friends is the best way to share and promote our school. We have an exclusive opportunity for St. Joseph Catholic School (Grades K– 8) families. Share the Spirit of St. Joseph, participate in our Family Referral Program and earn tuition credit for your family by referring any new family with student(s) entering Grades K-8.

TERMS: Qualifying “Referring” families are those families that currently have students enrolled in St. Joseph Catholic School (Grades PreK–8) and refer another family *new* to the St. Joseph Catholic School K-8 program. The qualifying “Referring Family” agrees to the terms of the program which include:

- a) Introduce us - provide “Prospective Family” contact information so that school staff can set up a school tour
- b) A “Prospective Family” becomes a “New Family” by completing a signed contract, paying all applicable fees and enrolling their student(s) in St. Joseph Catholic School in Grades K-8.
- c) The Referring Family will receive the tuition credit beginning November 1.

EARN: **A \$25 gift card just by referring a Prospective Family**

BENEFIT: **\$750 tuition credit per referral can be earned**

Earn \$750 Tuition credit upon the completion of the above requirements. The \$750 credit will be applied to the Referring family’s FACTS tuition account.

LIMITATIONS: Only two tuition credits can be earned for each family. If a family earns incentives in excess of their student(s) tuition obligation, the family may designate a recipient of their choice for any additional tuition credits within the allotted time period. Tuition credit is not redeemable for cash, and can be applied only to Grades K-8 St. Joseph Catholic School tuition.
