Art Year At A Glance

Teacher: Cate Carey

	September	October	November	December	January	February	March	April	May	June
Kindergarten	Introduction to the Line: various line types, use lines to create shapes and patterns			Introduction to shape and form		Introduction to color- primary and secondary colors		Introduction to the self portrait	Exploring mixed media and different mediums for color	Texture in 2 and 3 dimensional work
1st Grade	The Line: identify line direction, create texture and a border		Seasons, landscapes, observational drawings		Color: Students will identify and mix secondary colors from primary; recognize warm and cool colors and neutral colors		Shape: Students will identify and use geometric and organic shapes and create 3D forms. Student will create a self portrait.		Patterns and repetition	Mixed Media
2nd Grade	The Line: identify and demonstrate different line qualities		Seasonal projects with an emphasis on technique with materials		Color: use a brush to create different visual qualities, identify and use warm and cool colors		Self Portrait	Shape, volume & form. Positive and negative space	Texture: tactile & visual	Proportion & perspective
3rd Grade	Landscape for portfolio art	Value ranges	Lines to create direction (radial, converging, spiral wide - narrow)	Seasonal work	Color	Shape	Self Portrait	Repetition, balance, contrast	Texture: tactile & visual	Sculpture
4th Grade	Landscape for portfolio art	Value ranges	Space: real and illusionary. Foreground, midground & background		Shape: subtractive and additive	Color: mood, tints/shades, monochromatic	Self Portrait	Use line to create geometric 3D forms (cube, sphere, cone)	Texture: tactile & visual	Observational drawings from nature
5th Grade	Glass blowing and a visit to the Museum of Glass in Tacoma		Name Monsters for portfolios	Prepare for visit to Portland Art Museum	3D Painted Paper Masks	Self Portrait	Perspective	Recycled Fashion		Observational drawings from nature
6th Grade	The Line: One & two point perspective		Mixed media work inspired by an artists	Prepare for visit to Portland Art Museum	Paper Mache sculptures		Self Portrait	Abstract	Landscape painting	Observational drawings from nature
7th Grade	Concert poster/Album cover for portfolio		Value: Tint & shade to color, pen shading techniques, value scale		Prepare for visit to the Portland Art Museum	Printmaking	Self Portrait	Designs for Art Show		Sculpture
8th Grade	Urban Art for portfolio		Murals for Art Show		Prepare for recycled fashion	Printmaking	Self Portrait	Recycled Fashion
