EMERGENCY PACKS
CONTENTS & OVERVIEW

2026-2027

Emergency packs are required for every student. These packs are kept in the classrooms in the event we need to shelter in place.

NEW STUDENTS:

In your first year, you will receive a freezer bag containing the reusable items listed below. **Please gather the New Items listed below, complete the form on the other side of this page, and return both to your teacher. These items will be added to the provided Emergency Pack.**

RETURNING STUDENTS:

Reuse your pack from last year or make a new one. In a gallon or quart size **freezer** bag, include the following with your child's name written with permanent marker on the outside.

Please include **only** the following items, any additional items will be returned. If you have specific concerns contact your child's teacher.

New Items

- 2 snacks with 10-**month shelf life (granola/energy bar, fruit snack. No peanut products, candy, or liquid packed fruit)**
- Updated Summary Information Form (on back of this sheet)

Optional Items

- Family Photo
- Comforting note to child

Reusable Items from year to year (this pack provided by the school)

- Emergency Blanket (camping section of store)
- Small package of tissues
- 30 gallon size or larger garbage bag (folded)
- 2 moist towelettes

This bag will be returned at the end of the school year, you will change out your snacks/water and reuse it each year.
