We thank you for this community, as we come together to support our teachers, students and families during this school year. As we begin our meeting today, we place ourselves in your hands to guide our hearts and our minds. Help us listen to one another and share our ideas, while our decisions bring honor to You and serve others.

Mission Statement: *In furtherance of the St. Joseph Catholic School mission, the PTO will maintain a close relationship between the home and the school, encouraging all parents to participate actively in their children's education and school activities.*
