

*St. Joe's Lego Club*  
*Presents the First Annual*  
*BattleBot*  
*Competition*

**What:** Design and Build an EV3 Lego Robot to compete with other teams to push or disable others teams' robot on a battlefield.

**When:** Main event will be Thursday March 26 at 2-3 PM. Practice and Building March 2nd, 9<sup>th</sup>, 16<sup>th</sup>, 23<sup>rd</sup>, and 25<sup>th</sup>

**Where:** School Gym for main event, Practice and building in Cafeteria

**Who:** 3<sup>rd</sup> through 7<sup>th</sup> Graders in teams of 3 or 4

**Cost:** \$0.00

8th grade students will serve popcorn and Cotton Candy.

Official Rules will be given out at the start of the practice event.

Students who participate must behave and work with others to complete the tasks

EV3 robots and Lego Pieces will be supplied to initial sign-ups (9 teams). If you have your own robot, you can form your own team.

Basic rules are:

- Robot must fit into a 12-inch wide, 12-inch long and 10-inch high cube.
- Robot can not weigh more than 32 Ounces
- Only Lego Pieces can be used
- No fire or liquids can be used by, on, or against robots
- No glue or tape can be used. The robot must be able to be de-constructed.
- Points will be subtracted for parts that fall off robots.
- Robots can be controlled by Bluetooth or programed

Additional Questions or to sign up contact Larry @ 360 601 9242

Have your team participants names and contact info. Parents must approve of your participation

This is a fun event so everyone must have FUN.
