

Drama Club Informational Meeting

To: All aspiring actors, aspiring crew members in Grades 5-8 and their Parents.

From: Mr. Tijerina

The St. Joe's Drama Club is so excited to be starting here at St. Joseph's. We will be doing many things this year and we want to share EVERYTHING with you.

Come to Room 6 (Technology Class) on October 8th at 3:50 PM to hear the information on the Drama Club, what we will be doing and why you should sign up.

The yearly Drama Club dues will be \$60 per student and \$80 per family. These dues will help us be able to do everything we can to make our productions come to life and support the club.

So bring your questions, comments or concerns with you or email me at
