

Evening of Entertainment Auditions

Due Wednesday, January 10

Do you have a practiced gift or talent that you would like to share with our St. Joseph community? Sign up to audition for our Evening of Entertainment, taking place during Catholic Schools Week.

Students will be judged on their performance the day of auditions. They must be prepared with music, props, and costume on this day. A CD player and sound system will be provided. All performers are limited to 2 minutes to allow for more student participation. CD music for voice audition is to be instrumental only, no lyrics.

The selection process is conducted by a panel of staff members using a point system based on 5 categories: confidence, preparation, a practiced talent, enjoyment of performing, and a performance that would be a good addition to the program. Students are then chosen by the total number of points received overall.
