ST. JOSEPH EXTENDED CARE

OVERVIEW

- St. Joseph Catholic School offers Extended Care before and after school. In Extended Care, students do homework and participate in organized activities, as well as unstructured free time. A snack is provided during after school care
- We follow the state requirements of an adult to child ratio of 1:15. Openings in Extended Care will be filled on a first come first serve basis
- In order to maintain our adult-to-child ratio, we do not offer a drop-in service. Staffing and snacks are based on the registrations submitted
