

## St. Joseph CYO Fall Sports

Hello families! As we end the school year it is hard to believe we are opening registration for Fall sports for the 2024-2025 school year. Below is information specifically on hotshots basketball, volleyball, cross country, and swim.

First, Hotshots will no longer be co-ed. We will offer Girls Hotshots and Boys Hotshots. Teams will still be made up of 1st and 2nd graders.

Second, you may have heard the very exciting news that we will be offering boys volleyball. Initially teams will be combined grades 3rd/4th, 5th/6th, and 7th/8th. The season will run the same time as girls volleyball and will have the same tournament opportunities.

Below is a table outlining fees CYO Portland charges to our club to participate. You are only paying the actual cost when registering. There is no up-charge from our club.

Volunteers are essential for the success of our program. Going forward, coaches will be required to have a team parent to organize volunteers for the game. If your game is at our gym, parents should be line judge, concessions, book, clock, site monitor and gate if needed.

The goal of the CYO program is to provide enriching opportunities for student athletes. In order to operate and build a successful program, we need your involvement! Opportunities include:

- Boys VB coaches - immediate need
- Volunteers committed to taking photos during the season
- Volunteers to help plan and care for a sportsboard in the breezeway and main hallway. This is where we will highlight kids' successes, post pictures and weekend results in addition to announcements made on Monday morning.
- Help organize paint parties for spirit banners we can hang in the gym before weekend games
- Painting the Concession Stand over the summer

Thank you for your continuous support. I will be sure to communicate any updates with you regarding current or upcoming sports.
