GIVING TREE

Advent is just around the corner and it is time again for St. Joseph to help make Christmas brighter for those in need. The Giving Tree ministry benefits St. Vincent de Paul and local nursing homes and rehabilitation centers. This year's trees will be up and ready for you to select your gift recipient beginning on November 23.

Your help is needed to prepare the trees and process the returned gifts. Consider giving some time to help with any of the following Giving Tree projects.
