Opening Prayer – Kathy Lundy, Principal

Old Business

1. Reminder – these PTO meetings are recorded if anyone wants to view
2. Teacher Santa gifts are very much appreciated!
3. Christmas Decorations in the front area (thank you Sue and Erin and Joie)
4. Bingo – was a success! Kids had fun even though we did it electronically. Thank you to all parents that helped put this together.
5. For Sale: t-shirts, cross ornaments, tumblers, window clings
6. Auction help: meeting next Wed the 16th – groups and committees are being formed. Because it will be online this year, the build-up and digital promotion are tremendously important.

New Business

1. January needs – keep traditions alive though they will look different
 - a. Catholic Schools Week - teacher committees
 - b. Will still be doing “Evening of Entertainment” – though it will be done virtually
 - c. Some sort of “Grandparents Day”
2. Open House – will need parents to help but will depend on onsite access at that time.
 - a. Seton HS – a great example of how it can work virtually. Great feedback from parent.

Special thank you to Sue Ainardi and other parents who have really stepped up to help make things more normal!
