

Join us for a **PINK OUT!!**

October is Breast Cancer Awareness Month and we would like to recognize it with a **PINK OUT Day** on Tuesday, October 30, in support of one of our preschool families that is facing this challenge.

Jaseea Karst is a preschool mom who has been diagnosed with stage 4 metastatic breast cancer which has spread to her left lung, lymphatic system, and bone. She is undergoing chemotherapy and experimental therapies not covered by insurance. She is not able to work while in treatment so we have asked if we could share her story so our St. Joseph community can help.

WAYS YOU CAN HELP:

WEAR PINK! Wear a pink shirt with your uniform on Tuesday, Oct. 30

DONATE: If you are able, please consider making a donation to her medical fund. You can bring a donation to the jars Mrs. LaRose and Miss Laura will have at the beginning of school on Tuesday **or** you can donate through her Go Fund Me page at <https://www.gofundme.com/63tj7mw>.

PRAY: Please keep the Karst family and all those families dealing with cancer in your daily prayers!
