ST. JOSEPH PARISH SUPPORT OVERVIEW

St. Joseph Catholic School may receive support from St. Joseph Parish and our neighboring Catholic parishes. If your family is active, participating members of your parish, you may be eligible to receive tuition support in the form of a parish participation benefit. If your family does not have financial need, please consider forgoing this request for support and donating it back to the school. The difference is tax deductible.

In order to receive the active parishioner rate, your family's Catholic parish will need to approve support and indicate to us that your family will be receiving support from the parish. Each parish sets its own guidelines on what requirements must be met to receive support. Families must complete the request to be considered for active parishioner tuition. This form must be submitted each year to receive parish support. Contact Eileen Sherrill for more information, eileens@stjoevanschool.org.

St. Joseph Request for Parish Support form is available in January.
