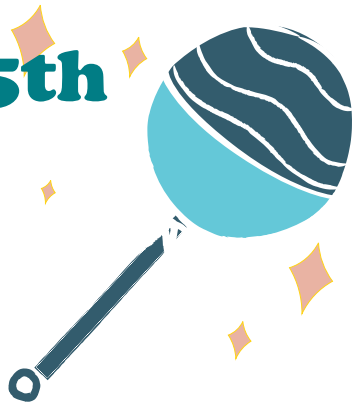
PREPARES Baby Shower

Join us for a fun parent event at which you can meet other parents, enjoy light refreshments and benefit our community!
Bring a baby shower "gift" to help a local family.



Thursday, October 15th
8:30am-9:45am
Marian Hall

PREPARES is a program through St. Joseph that provides support for families with children ages birth through five. At the event and at the preschool we will be collecting items to donate to PREPARES. See the PREPARES wish list on the reverse side.

Donations are not necessary to attend the event.
