

Scrip Program

What is Scrip?

- Scrip is an online fundraising program where families purchase scrip through the RaiseRight app or website
- Scrip is offered at a discount and parents purchase at face value
- The difference is your Scrip profit
- Families use scrip gift cards to pay for everyday expenses such as groceries, gas, gifts, home improvement projects, and more
- Use the gift cards at your local retailers just like the gift cards you purchase in stores
- Download Scrip directly to your phone for immediate use
- During the school year, we also offer limited local retail gift cards using a two-day order form at school
- Parents must sign for their order in the school office. (scrip will no longer be sent home with students)
- Families must purchase enough scrip to earn a profit of \$200 - not just purchase \$200 in scrip
- Proceeds from the Scrip program go toward the school operating budget

Scrip Notes and Contract Details

- It's not too late to start purchasing scrip!
- Each gift card has a different percentage that you receive in profit. Set up RaiseRight and check your balances online
- If you are unable to reach the profit requirement by April 15, the remaining balance will be added to your Finals site account
- You may have already bought out your obligation through your tuition contract. Check your portal to verify
- If you wish to opt out of this program, you can still pay the \$200 through your tuition account or by check or cash in the school office
- If did not opt out and have not earned any profit by November 1, your scrip obligation of \$200 will be added to your Finals site tuition account

Scrip Overview:

The Scrip year runs April 16, 2024 – April 15, 2025.

- Scrip can be purchased online via your mobile phone using the RaiseRight App.
- During the school year, we also have a limited amount of physical cards in stock.
- Each school family should raise \$200 in profit by purchasing Scrip or by paying \$200 outright.
- For more information on setting up your account, visit our website www.stjoevanschool.org/scrip-sales, or contact Scrip coordinator Kim, scrip@stjoevanschool.org.

Contact Kim for our
CURRENT ENROLLMENT CODE.

Tips & Tricks

- Share the online enrollment code with family and friends and they can help reach your goal!
- What happens if you earn profit in excess of \$200? 50% is applied to your fees for the following year and 50% goes to the school! This amount is credited before tuition payments begin in July.
