

TOGETHER

CATHOLIC, COMMUNITY, COMMITTED

MISSION

St. Joseph Catholic School, centered in Gospel values, partners with our families and parish community to develop the spiritual, academic and social growth of each student.

PHILOSOPHY

St. Joseph Catholic School, as a ministry of St. Joseph Parish, is a Catholic community where we live and learn together spiritually, academically and socially. We affirm that parents are primary educators of their children, and we teach students to work to their potential. We value the unique talents of each child and recognize that everyone contributes to a positive and service-filled faith community. As facilitators of learning, we will:

SPIRITUALLY

- build a community based on Gospel values cultivate an awareness of each individual's gifts
- encourage the practice of the faith including prayer and active participation in liturgical life

ACADEMICALLY

- establish and maintain high expectations and standards
- support students to work to their full potential
- promote independent and cooperative learning and develop critical thinking skills

SOCIALLY

- instill a respect for self and others demonstrated through actions, words and service
- encourage physical wellness and emotional wellbeing
- provide education and opportunities for responsible participation in local and global communities

A COMMUNITY COMMITTED

St. Joseph Catholic School partners with families and the parish community to provide children with the highest level of education, spiritually, academically and socially.

EVERY DOLLAR MAKES A DIFFERENCE

Tuition and parish subsidies do not cover the true cost to educate a child. Every year, every student not paying the full actual cost of tuition creates a gap between income and expenses. Every dollar of your gift to the St. Joseph School Fund is an investment in the future, designated to fill the gap in the cost to educate a child.

School and parish staff, council and committee leaders and community agree: we have a responsibility to ensure that future generations have the choice of a Catholic education, where every day they are immersed in a nurturing, Catholic environment. In our community, we remain committed to seeing that every child has the right to grow in faith, to be loved unconditionally and develop to their fullest, unique, God-given potential. This is our identity: together we are Catholic, we are Community, and we are Committed, every day, to every unique child.

St. Joseph Catholic School is a faith-based educational community that nurtures each student as a child of God.
