

ST. JOSEPH
CATHOLIC SCHOOL

VARIABLE TUITION PROCESS

THE STEPS TO FOLLOW TO APPLY FOR 2021-2022

St. Joseph Catholic School offers tuition assistance to school families in the form of Variable Tuition. This assistance helps to offset some of the cost of Catholic education. The reality is, few families pay the full cost to educate and we want to help keep Catholic education accessible to those who desire a strong, faith based Catholic education.

St. Joseph Catholic School Tuition Assistance Application

St. Joseph Catholic School will be using the FACTS Management Company to administer internal tuition assistance again this year. To be considered for Variable Tuition at St. Joseph School, go to our website <http://www.stjoevanschool.org/tuition-assistance.html> and click on the FACTS Application.

- Current families: this is the same account you may have used to apply last year and that you have for your tuition payments. Simply log in and complete the 2021-2022 application.
- New families: create an account, choose **St Joseph School**, and complete the application.

Reminder - you will need to upload all supporting documentation, like 2019 tax forms and W-2's. Applications can only be verified and processed once all necessary documentation is submitted.

Each family will pay a \$29 fee to FACTS.

Our school deadline for the first round of aid to current families is January 29, 2021.
