St. Joseph Catholic School may receive support from St. Joseph Parish and our neighboring Catholic parishes. Your family may be eligible to receive tuition support in the form of a parish participation benefit. This form must be submitted each year to receive parish support. St Joseph Parish families who are actively engaged in the life of the parish as evidenced by their Stewardship of Time, Talent and Treasure are encouraged to submit this request. A parish representative will verify your information and determine if your family is awarded support. We understand that in this past year it has not been possible to complete all obligations, this will be considered in offering awards. In future years, all requirements will again need to be met to be considered for support. If your family does not have financial need, please consider forgoing this request for support. The difference is tax deductible. Remember, parish support awards are confidential and should only be discussed with parish and/or school staff. *These parishes have their own request form, check with your parish office.
